Our heritage dates back to 1967. We were originally known as Shakey’s Pizza Parlor and were the first pizza parlor in Sparks. Today, we’re still in continuous operation while others have come and gone. We make our pizzas the same way: with a thin, crisp crust; just the right amount of spicy tomato sauce; a generous helping of mozzarella cheese; and a variety of fresh toppings. After 40+years, we’re still doing business the way we always have, providing you with quality, service, and a relaxed atmosphere for enjoying your favorite pizza.
